A. When this endorsement is attached to the Standard Property Policy **CP 00 99,** the term Coverage Part in this endorsement is replaced by the term Policy.

B. Nothing in this endorsement increases the applicable Limit of Insurance. We will not pay any Loss Payee more than their financial interest in the Covered Property, and we will not pay more than the applicable Limit of Insurance on the Covered Property.

C. The following is added to the **Loss Payment** Loss Condition, as indicated in the Declarations or in the Schedule:

1. Loss Payable Clause

For Covered Property in which both you and a Loss Payee shown in the Schedule or in the Declarations have an insurable interest, we will:

a. Adjust losses with you; and

b. Pay any claim for loss or damage jointly to you and the Loss Payee, as interests may appear

2. Lender's Loss Payable Clause

a. The Loss Payee shown in the Schedule or in the Declarations is a creditor, including a mortgageholder or trustee, whose interest in Covered Property is established by such written instruments as:

(1) Warehouse receipts;

(2) A contract for deed;

(3) Bills of lading;

(4) Financing statements; or

(5) Mortgages, deeds of trust, or security agreements.

b. For Covered Property in which both you and a Loss Payee have an insurable interest:

(1) We will pay for covered loss or damage to each Loss Payee in their order of precedence, as interests may appear.

(2) The Loss Payee has the right to receive loss payment even if the Loss Payee has started foreclosure or similar action on the Covered Property.

(3) If we deny your claim because of your acts or because you have failed to comply with the terms of the Coverage Part, the Loss Payee will still have the right to receive loss payment if the Loss Payee:

(a) Pays any premium due under this Coverage Part at our request if you have failed to do so;

(b) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and

(c) Has notified us of any change in ownership, occupancy or substantial change in risk known to the Loss Payee.

All of the terms of this Coverage Part will then apply directly to the Loss Payee.

(4) If we pay the Loss Payee for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:

(a) The Loss Payee's rights will be transferred to us to the extent of the amount we pay; and

(b) The Loss Payee's rights to recover the full amount of the Loss Payee's claim will not be impaired.

At our option, we may pay to the Loss Payee the whole principal on the debt plus any accrued interest. In this event, you will pay your remaining debt to us.

c. If we cancel this policy, we will give written notice to the Loss Payee at least:

(1) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or

(2) 30 days before the effective date of cancellation if we cancel for any other reason.

d. If we elect not to renew this policy, we will give written notice to the Loss Payee at least 10 days before the expiration date of this policy.

 © Insurance Services Office, Inc., 2011

3. Contract Of Sale Clause

a. The Loss Payee shown in the Schedule or in the Declarations is a person or organization you have entered into a contract with for the sale of Covered Property.

b. For Covered Property in which both you and the Loss Payee have an insurable interest, we will:

(1) Adjust losses with you; and

(2) Pay any claim for loss or damage jointly to you and the Loss Payee, as interests may appear.

c. The following is added to the **Other Insurance** Condition:

For Covered Property that is the subject of a contract of sale, the word "you" includes the Loss Payee.

4. Building Owner Loss Payable Clause

a. The Loss Payee shown in the Schedule or in the Declarations is the owner of the described building in which you are a tenant.

b. We will adjust losses to the described building with the Loss Payee. Any loss payment made to the Loss Payee will satisfy your claims against us for the owner's property.

c. We will adjust losses to tenants' improvements and betterments with you, unless the lease provides otherwise.

IMPORTANT NOTICE
TO COMMERCIAL PROPERTY POLICYHOLDERS

This notice has been prepared in conjunction with the implementation of changes to your policy. It contains a brief synopsis of the significant broadenings, restrictions and clarifications of coverage that were made in various policy forms and endorsements. It does not reference editorial changes that were made for clarity and readability if there was no change in coverage intent. **Only the forms and endorsements referenced on the declaration page of your policy are affected by this notice.**

You should read your policy and its endorsements carefully. If there is any conflict between the policy terms and this notice, **THE PROVISIONS OF THE POLICY SHALL PREVAIL.**

In an effort to reflect current inflationary trends, we have added an inflation guard limit for your building and/or personal property coverages of 4%. This change will also result in a slight increase in premium.

If you feel that a 4% increase in your building and/or personal property values during your policy term is inadequate, please contact your Grinnell Mutual agent. Other options are available.

If the renewal terms are not agreeable to you, you have the right to cancel this policy.

IMPORTANT NOTICE TO POLICYHOLDERS

To help your insurance keep pace with increasing costs, we have increased your building coverage. This increase will give you better protection in case of either a partial or total loss to your property.

Grinnell Mutual wants you to be completely satisfied with both your policy and service. If you feel the new amount of insurance is not the proper one, please contact your Grinnell Mutual agent.

We treat your personal information with respect and concern for your privacy. We do not sell any of your personal information to any third party. We maintain physical, electronic, and procedural safeguards that comply with federal regulations to guard the information we obtain from you. NOTICE OFFER OF COVERAGE FOR CERTIFIED ACTS OF TERRORISM DISCLOSURE OF PREMIUM REJECTION STATEMENT

Coverage for certified acts of terrorism is included in your policy. You are hereby notified that under the Terrorism Risk Insurance Act, including all amendments ("TRIA" or the "Act"), the definition of act of terrorism changed. As defined in Section 102(1) of the Act: The term "act of terrorism" means any act that is certified by the Secretary of the Treasury—in consultation with the Secretary of Homeland Security, and the Attorney General of the United States—to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

Under your coverage, any losses resulting from certified acts of terrorism may be partially reimbursed by the United States Government under a formula established by the Terrorism Risk Insurance Act, as amended. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 80% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The Terrorism Risk Insurance Act, as amended, contains a $100 billion cap that limits U.S. Government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses exceeds $100 billion in any one calendar year. If the aggregate insured losses for all insurers exceed $100 billion, your coverage may be reduced.

The premium for this insurance policy includes coverage for losses resulting from an act of terrorism certified under the federal program in the amount of:

$ 10.00 .

You may choose to reject this coverage for losses resulting from an act of terrorism certified under the federal program. In this state and on this policy, a terrorism exclusion does not apply to fire losses to covered property resulting from an act of terrorism. If you reject the coverage for losses resulting from an act of terrorism certified under the federal program, that rejection does not apply to such fire losses. Thus, you will have coverage for such fire losses under this policy even if you reject coverage for acts of terrorism certified under the federal program.

Rejection of coverage for losses resulting from an act of terrorism will cause your premium to be reduced by the amount shown above and you will receive an endorsement removing coverage for losses resulting from an act of terrorism certified under the federal program.

To reject this coverage, sign the rejection statement below and return this notice to us within 30 days by mailing it to:

Commercial Underwriting Support
Grinnell Mutual Reinsurance Company
PO Box 790
Grinnell, IA 50112-0790

If we do not receive this notice indicating your rejection, the coverage for losses resulting from an act of terrorism certified under the federal program will apply to this policy and you will be responsible for payment of the premium.

REJECTION STATEMENT. I hereby reject coverage for losses resulting from an act of terrorism certified under the federal program established through the Terrorism Risk Insurance Act. I understand that this rejection results in there being no coverage for losses resulting from an act of terrorism certified under the federal program, except that I will have coverage for fire losses resulting from an act of terrorism.

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance.

The word "insured" means any person or organization qualifying as such under Section **II** – Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section **V** – Definitions.

SECTION I – COVERAGES

COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:

(1) The amount we will pay for damages is limited as described in Section **III** – Limits Of Insurance; and

(2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages **A** or **B** or medical expenses under Coverage **C.**

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments – Coverages **A** and **B.**

b. This insurance applies to "bodily injury" and "property damage" only if:

(1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";

(2) The "bodily injury" or "property damage" occurs during the policy period; and

(3) Prior to the policy period, no insured listed under Paragraph **1.** of Section **II** – Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph **1.** of Section **II** – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph **1.** of Section **II** – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

(1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;

(2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or

(3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

e. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".

 © Insurance Services Office, Inc., 2012

2. Exclusions

This insurance does not apply to:

a. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" resulting from the use of reasonable force to protect persons or property.

b. Contractual Liability

"Bodily injury" or "property damage" for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:

(1) That the insured would have in the absence of the contract or agreement; or

(2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. c. You and any other involved insured must:

(1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";

(2) Authorize us to obtain records and other information;

(3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and

(4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.

d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

3. Legal Action Against Us

No person or organization has a right under this Coverage Part:

a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or

b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages **A** or **B** of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when Paragraph **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph **c.** below.

b. Excess Insurance

(1) This insurance is excess over:

(a) Any of the other insurance, whether primary, excess, contingent or on any other basis:

(i) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

(ii) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner;

(iii) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or

(iv) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion **g.** of Section **I** – Coverage **A** – Bodily Injury And Property Damage Liability.

(b) Any other primary insurance available to you covering liability for damages arising out of the premises or operations, or the products and completed operations, for which you have been added as an additional insured.

(2) When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

(3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

(b) The total of all deductible and self-insured amounts under all that other insurance.

(4) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit

a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.

b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

a. The statements in the Declarations are accurate and complete;

 © Insurance Services Office, Inc., 2012

b. Those statements are based upon representations you made to us; and

c. We have issued this policy in reliance upon your representations.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

a. As if each Named Insured were the only Named Insured; and

b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

b. Does not include "bodily injury" or "property damage" arising out of:

MISSOURI PROPERTY AND CASUALTY INSURANCE GUARANTY ASSOCIATION COVERAGE LIMITATIONS

A. Subject to the provisions of the Missouri Property and Casualty Insurance Guaranty Association Act (to be referred to as the Act), if we are a member of the Missouri Property and Casualty Insurance Guaranty Association (to be referred to as the Association), the Association will pay claims covered under the Act if we become insolvent.

B. The Act contains various exclusions, conditions and limitations that govern a claimant's eligibility to collect payment from the Association and affect the amount of any payment. The following limitations apply subject to all other provisions of the Act:

1. Claims covered by the Association do not include a claim by or against an insured of an insolvent insurer, if the insured has a net worth of more than $25 million on the later of the end of the insured's most recent fiscal year or the December thirty-first of the year next preceding the date the insurer becomes insolvent; provided that an insured's net worth on such date shall be deemed to include the aggregate net worth of the insured and all of its affiliates as calculated on a consolidated basis.

2. Payments made by the Association for covered claims will include only that amount of each claim which is less than $300,000.

However, the Association will not:

(1) Pay an amount in excess of the applicable limit of insurance of the policy from which a claim arises; or

(2) Return to an insured any unearned premium in excess of $25,000.

These limitations have no effect on the coverage we will provide under this policy.

THE PREMIUM AUDIT

WHAT IS A PREMIUM AUDIT?

It is an examination of an insured s operations, records, and books of account to determine the actual exposures and applicable premiums for the coverages provided.

PURPOSE OF THE PREMIUM AUDIT

A premium audit, whether by phone, mail, or on site is necessary in order to determine the final premium. Premiums for casualty insurance, in particular General Liability and Workers Compensation, are based on such variables as sales, receipts, costs, or payrolls.

These variables are estimated when the policy is issued so a deposit premium can be established. The final premium is determined at the end of the policy term when the actual figures are available.

If the deposit premium charged was too high, we will return the excess premium. If it was too low, the insured will owe additional premium to the company.

Authority for the company to conduct an audit of the insured s financial records and books, and then to compute the appropriate premium, is contained as a condition of the policy.

RECORDS TO BE REVIEWED

To be certain the premiums fairly represent the exposures, the insured must maintain accurate records.

Depending on the coverage provided, the premium auditor will be able to secure the necessary data from the following types of records:

- General Ledger
- Payroll Journal
- Individual Earnings Cards or Ledger
- Cash Receipts Journal
- Tax Records (State and Federal)
- Accounts Receivable Journal
- Accounts Payable Journal Quarterly Wage Reports
- Financial Statements
- Cash Disbursements
- Sales Records
- Certificates of Insurance from Subcontractors

Not all of these records will be needed from every insured. The insured may designate a contact person for this information such as their accountant or office manager if desired.

It is possible for the duties of employees to fall into more than one job classification. It is important to keep payroll records based on the type of work the employee actually performs. Without adequate records, the entire payroll for the employee may be charged to the highest rated classification, depending on your state s requirements.

PAYROLL REMUNERATION

Many of the premiums for casualty insurance are based on payroll. This can be simply defined as the total remuneration for services performed by an employee. Remuneration may include:

- Wages
- Bonuses
- Commissions
- Incentive Pay
- Sick Pay
- Meals or Lodging received as part of employee s pay
- Store Certificates or Merchandise
- Piece Work
- Overtime Hours at straight time rate
- Holiday or Vacation Pay and Tips are subject to special rules for many states.

EXECUTIVE OFFICER OR PARTNERS

The earnings of executive officers or partners are usually included in GL premium computation at a flat amount which varies by state. The actual payroll will be needed if these individuals are included for coverage on the WC policy and may be subject to state minimum or maximum amounts.

COVERAGE AUDITED:

- **GENERAL LIABILITY**

  Premises/Operations and Products/Completed Operations

  Manufacturing and processing as well as mercantile classifications are rated on a gross sales basis.

  Contracting and service risks are rated on a payroll basis.

  Overtime hours are included at straight time rate.

- **WORKERS COMPENSATION**

  The gross payroll is used to figure the premiums for each classification.

  Overtime hours are included at straight time rate.

  Payroll of executive officers, partners, and individuals will be included or excluded depending on coverage provided for the policy term being audited.

- **INDEPENDENT CONTRACTORS/SUBCONTRACTORS**

  The insured should obtain a current Certificate of Insurance for ALL subcontractors that he hires. The GL premium charge for properly insured subcontractors is much less than the charge made for subcontractors without proper certificates of insurance on file.

  No charge will be made on WC policies for subcontractors when proper certificates are provided. A charge may be made for the payroll of uninsured subcontractors depending on state statutes.

CERTIFICATES OF INSURANCE

Certificates of Insurance from the subcontractor/independent contractor verify that coverage was in effect for the subcontractor. It is required that all certificates for independent/subcontractors, indicate coverage in force during job period and that the Premises Operations and Products Completed Operations limits for the independent/subcontractor be at least the lower of: 1) limits equal to the limits carried by our insured; or 2) $1,000,000 each Occurrence/$2,000,000 Aggregate. It is extremely important that appropriate certificates of insurance from each subcontractor be secured and on file, NOT REQUESTED AFTER AUDITOR ARRIVES. Auditors will ask to review certificates at the time of audit. Failure to obtain the certificates will require the inclusion of the payroll for the uninsured or inadequately insured subcontractor at the appropriate classifications for the jobs being done by the independent/subcontractor and could increase the premium substantially.

The basis of premium for adequately insured subcontractors is TOTAL COST. Total cost is defined as the total cost of all work let or sublet in connection with each specific project including: 1) the cost of all labor; materials and equipment furnished, used or delivered for use in the execution of the work; and 2) all fees, bonuses or commissions made, paid, or due.

The cost of all such items must be included whether furnished by the owner, the general contractor or any subcontractors. THUS, IF THE GENERAL CONTRACTOR SHOULD FURNISH PART OF THE MATERIAL IN A SUBLET PROJECT, THE COST THEREOF MUST BE ADDED TO THE AMOUNTS PAID TO THE CONTRACTOR TO ARRIVE AT THE TOTAL COST OF THE WORK.

DISTRIBUTION, COLLECTION, OR USE OF MATERIAL IN VIOLATION OF LAW EXCLUSION

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM
BUSINESSOWNERS COVERAGE FORM
COMMERCIAL GENERAL LIABILITY COVERAGE FORM
COMMERCIAL LIABILITY UMBRELLA COVERAGE FORM
GARAGE COVERAGE FORM
FARM COVERAGE PART

The policy and any endorsement providing "bodily injury", "property damage", or "personal and advertising injury" liability coverage are amended to include the following new exclusions applicable to any such coverage.

1. Distribution, Collection, Or Use Of Material In Violation Of Law Exclusions

If the policy contains an exclusion relating to the recording and distribution of material in violation of law, it is replaced by the following provision:

a. The policy and any endorsement does not cover "bodily injury", "property damage", or "personal and advertising injury" arising directly or indirectly out of any act or omission that violates or is alleged to violate:

(1) The Telephone Consumer Protection Act (TCPA), including any amendment of or addition to such law;

(2) The CAN-SPAM Act of 2003, including any amendment of or addition to such law;

(3) The Fair Credit Reporting Act (FCRA), and any amendment of or addition to such law, including the Fair and Accurate Credit Transaction Act (FACTA); or

(4) Any federal, state, or local statute, ordinance, or regulation, other than the TCPA, CAN-SPAM Act, or FCRA, and their amendments and additions, that prohibits or limits the printing, dissemination, disposal, collecting, recording, sending, transmitting, communicating, or distribution of material or information.

b. We do not cover any direct or indirect act or omission that violates or is alleged to have violated any statute, ordinance, regulation, or law identified in paragraph **a.** above.

We will not defend or indemnify any insured for a judgment or settlement with regard to any claim, "suit", or other legal or administrative proceeding in which any insured is alleged to have violated any statute, ordinance, regulation, or law identified in paragraphs **a.** and **b.** above.

This exclusion applies regardless of the actual or alleged mental state or intent of the person alleged to have violated the statutes, ordinances, regulations, and laws identified in paragraphs **a.** and **b.** above.

2. Electronic Aggression Exclusion

We do not cover "bodily injury", "property damage", or "personal and advertising injury":

a. Arising out of oral, written, televised, videotaped, or electronic publication of material;

(1) If done by or at the direction of any "insured" with knowledge of its falsity; or

(2) Whose first publication took place before the effective date of the policy.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

b. Arising directly or indirectly out of an act of electronic aggression, by an insured, which is committed or transmitted:

(1) By means of an electronic forum, including but not limited to, an electronic bulletin board, an electronic chat room, a gripe site, a social networking site, a web site, or a web blog; or

(2) By other electronic means, including but not limited to, email, instant messaging, and text messaging.

For the purposes of this exclusion, electronic aggression means any written or oral communication or video which harasses, bullies or causes embarrassment or emotional distress to a person, as measured from the objective viewpoint of a reasonable person. The mental state or intent of any insured in communicating or transmitting the material is not relevant to the application of this exclusion.

c. Sustained by any person as a result of an offense directly or indirectly related to the employment of this person by an insured; or

d. Caused by or at the direction of an insured with the knowledge that the act would violate the rights of another and would inflict personal injury.

All other terms and conditions of this policy apply.

CERTIFIED ACTS OF TERRORISM UNITED STATES REIMBURSEMENT

The following is made a part of your policy.

If this policy includes coverage for Certified Acts Of Terrorism, the coverage provided for losses resulting from an act of terrorism certified under the federal program is partially reimbursed by the United States under a formula established by federal law. Under this formula, the United States pays 80% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The premium charged by us does not include any charges for the portion of the loss covered by the federal government.

PLEASE READ THIS ENDORSEMENT CAREFULLY, AS IT MODIFIES THE POLICY.

EXCLUSION OF OTHER ACTS OF TERRORISM

The following provisions are added to your policy:

A. The following exclusion is added:

This insurance does not apply to:

TERRORISM

"Any injury or damage" arising, directly or indirectly, out of an "other act of terrorism" that is committed within the "coverage territory". However, this exclusion applies only when one or more of the following are attributed to such act:

1. The total of insured damage to all types of property exceeds $25,000,000 (valued in U.S. dollars). In determining whether the $25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the terrorism and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or

2. Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:

a. Physical injury that involves a substantial risk of death; or

b. Protracted and obvious physical disfigurement; or

c. Protracted loss of or impairment of the function of a bodily member or organ; or

3. The terrorism involves the use, release or escape of nuclear materials, or directly or indirectly results in nuclear reaction or radiation or radioactive contamination; or

4. The terrorism is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or

5. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the terrorism was to release such materials.

With respect to this exclusion, Paragraphs **1.** and **2.** describe the thresholds used to measure the magnitude of an incident of an "other act of terrorism" and the circumstances in which the threshold will apply for the purpose of determining whether this exclusion will apply to that incident.

B. The following definitions are added:

1. For the purposes of this endorsement, "any injury or damage" means any injury or damage covered under any Coverage Form to which this endorsement is applicable, and includes but is not limited to "bodily injury", "property damage" or "personal and advertising injury" as may be defined in any applicable Coverage Form.

2. "Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

a. The act resulted in insured losses in excess of $5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act;

b. The act resulted in damage:

(1) Within the United States (including its territories and possessions and Puerto Rico); or

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

(2) Outside of the United States in the case of:

(a) An air carrier (as defined in Section 40102 of title 49, United States Code) or United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States), regardless of where the loss occurs; or

(b) The premises of any United States mission; and

c. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

3. "Other act of terrorism" means a violent act or an act that is dangerous to human life, property or infrastructure that is committed by an individual or individuals and that appears to be part of an effort to coerce a civilian population or to influence the policy or affect the conduct of any government by coercion, and the act is not a "certified act of terrorism".

Multiple incidents of an "other act of terrorism" which occur within a seventy-two hour period and appear to be carried out in concert or to have a related purpose or common leadership shall be considered to be one incident.

C. Exception Covering Certain Fire Losses

If "terrorism" results in fire, we will pay for the loss or damage caused by that fire, subject to all applicable policy provisions including the Limit of Insurance on the affected property. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense coverage forms or endorsements that apply to those coverage forms, or to the Legal Liability Coverage Form or the Leasehold Interest Coverage Form.

D. The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for injury or damage that is otherwise excluded under this Policy.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

CAP ON LOSSES FROM CERTIFIED ACTS OF TERRORISM

This endorsement modifies insurance provided under the following:

BOILER AND MACHINERY COVERAGE PART
COMMERCIAL INLAND MARINE COVERAGE PART
COMMERCIAL PROPERTY COVERAGE PART
EQUIPMENT BREAKDOWN COVERAGE PART
FARM COVERAGE PART
STANDARD PROPERTY POLICY

A. Cap On Certified Terrorism Losses

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of $5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and

2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed $100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds $100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

B. Application Of Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.

A. When this endorsement is attached to the Standard Property Policy **CP 00 99,** the term Coverage Part in this endorsement is replaced by the term Policy.

B. Nothing in this endorsement increases the applicable Limit of Insurance. We will not pay any Loss Payee more than their financial interest in the Covered Property, and we will not pay more than the applicable Limit of Insurance on the Covered Property.

C. The following is added to the **Loss Payment** Loss Condition, as indicated in the Declarations or in the Schedule:

1. Loss Payable Clause

For Covered Property in which both you and a Loss Payee shown in the Schedule or in the Declarations have an insurable interest, we will:

a. Adjust losses with you; and

b. Pay any claim for loss or damage jointly to you and the Loss Payee, as interests may appear

2. Lender's Loss Payable Clause

a. The Loss Payee shown in the Schedule or in the Declarations is a creditor, including a mortgageholder or trustee, whose interest in Covered Property is established by such written instruments as:

(1) Warehouse receipts;

(2) A contract for deed;

(3) Bills of lading;

(4) Financing statements; or

(5) Mortgages, deeds of trust, or security agreements.

b. For Covered Property in which both you and a Loss Payee have an insurable interest:

(1) We will pay for covered loss or damage to each Loss Payee in their order of precedence, as interests may appear.

(2) The Loss Payee has the right to receive loss payment even if the Loss Payee has started foreclosure or similar action on the Covered Property.

(3) If we deny your claim because of your acts or because you have failed to comply with the terms of the Coverage Part, the Loss Payee will still have the right to receive loss payment if the Loss Payee:

(a) Pays any premium due under this Coverage Part at our request if you have failed to do so;

(b) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and

(c) Has notified us of any change in ownership, occupancy or substantial change in risk known to the Loss Payee.

All of the terms of this Coverage Part will then apply directly to the Loss Payee.

(4) If we pay the Loss Payee for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:

(a) The Loss Payee's rights will be transferred to us to the extent of the amount we pay; and

(b) The Loss Payee's rights to recover the full amount of the Loss Payee's claim will not be impaired.

At our option, we may pay to the Loss Payee the whole principal on the debt plus any accrued interest. In this event, you will pay your remaining debt to us.

c. If we cancel this policy, we will give written notice to the Loss Payee at least:

(1) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or

(2) 30 days before the effective date of cancellation if we cancel for any other reason.

d. If we elect not to renew this policy, we will give written notice to the Loss Payee at least 10 days before the expiration date of this policy.

3. Contract Of Sale Clause

a. The Loss Payee shown in the Schedule or in the Declarations is a person or organization you have entered into a contract with for the sale of Covered Property.

b. For Covered Property in which both you and the Loss Payee have an insurable interest, we will:

(1) Adjust losses with you; and

(2) Pay any claim for loss or damage jointly to you and the Loss Payee, as interests may appear.

c. The following is added to the **Other Insurance** Condition:

For Covered Property that is the subject of a contract of sale, the word "you" includes the Loss Payee.

4. Building Owner Loss Payable Clause

a. The Loss Payee shown in the Schedule or in the Declarations is the owner of the described building in which you are a tenant.

b. We will adjust losses to the described building with the Loss Payee. Any loss payment made to the Loss Payee will satisfy your claims against us for the owner's property.

c. We will adjust losses to tenants' improvements and betterments with you, unless the lease provides otherwise.

BUILDING AND PERSONAL PROPERTY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section **H.** Definitions.

A. Coverage

We will pay for direct physical loss of or damage to Covered Property at the premises described in the Declarations caused by or resulting from any Covered Cause of Loss.

1. Covered Property

Covered Property, as used in this Coverage Part, means the type of property described in this section, **A.1.,** and limited in **A.2.** Property Not Covered, if a Limit Of Insurance is shown in the Declarations for that type of property.

a. Building, meaning the building or structure described in the Declarations, including:

(1) Completed additions;

(2) Fixtures, including outdoor fixtures;

(3) Permanently installed:

(a) Machinery; and

(b) Equipment;

(4) Personal property owned by you that is used to maintain or service the building or structure or its premises, including:

(a) Fire-extinguishing equipment;

(b) Outdoor furniture;

(c) Floor coverings; and

(d) Appliances used for refrigerating, ventilating, cooking, dishwashing or laundering;

(5) If not covered by other insurance:

(a) Additions under construction, alterations and repairs to the building or structure;

(b) Materials, equipment, supplies and temporary structures, on or within 100 feet of the described premises, used for making additions, alterations or repairs to the building or structure.

b. Your Business Personal Property consists of the following property located in or on the building or structure described in the Declarations or in the open (or in a vehicle) within 100 feet of the building or structure or within 100 feet of the premises described in the Declarations, whichever distance is greater:

(1) Furniture and fixtures;

(2) Machinery and equipment;

(3) "Stock";

(4) All other personal property owned by you and used in your business;

(5) Labor, materials or services furnished or arranged by you on personal property of others;

(6) Your use interest as tenant in improvements and betterments. Improvements and betterments are fixtures, alterations, installations or additions:

(a) Made a part of the building or structure you occupy but do not own; and

(b) You acquired or made at your expense but cannot legally remove;

(7) Leased personal property for which you have a contractual responsibility to insure, unless otherwise provided for under Personal Property Of Others.

c. Personal Property Of Others that is:

(1) In your care, custody or control; and

(2) Located in or on the building or structure described in the Declarations or in the open (or in a vehicle) within 100 feet of the building or structure or within 100 feet of the premises described in the Declarations, whichever distance is greater.

 © Insurance Services Office, Inc., 2011

However, our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

2. Property Not Covered

Covered Property does not include:

a. Accounts, bills, currency, food stamps or other evidences of debt, money, notes or securities. Lottery tickets held for sale are not securities;

b. Animals, unless owned by others and boarded by you, or if owned by you, only as "stock" while inside of buildings;

c. Automobiles held for sale;

d. Bridges, roadways, walks, patios or other paved surfaces;

e. Contraband, or property in the course of illegal transportation or trade;

f. The cost of excavations, grading, backfilling or filling;

g. Foundations of buildings, structures, machinery or boilers if their foundations are below:

(1) The lowest basement floor; or

(2) The surface of the ground, if there is no basement;

h. Land (including land on which the property is located), water, growing crops or lawns (other than lawns which are part of a vegetated roof);

i. Personal property while airborne or waterborne;

j. Bulkheads, pilings, piers, wharves or docks;

k. Property that is covered under another coverage form of this or any other policy in which it is more specifically described, except for the excess of the amount due (whether you can collect on it or not) from that other insurance;

l. Retaining walls that are not part of a building;

m. Underground pipes, flues or drains;

n. Electronic data, except as provided under the Additional Coverage, Electronic Data. Electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data. This paragraph, **n.,** does not apply to your "stock" of prepackaged software, or to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system;

o. The cost to replace or restore the information on valuable papers and records, including those which exist as electronic data. Valuable papers and records include but are not limited to proprietary information, books of account, deeds, manuscripts, abstracts, drawings and card index systems. Refer to the Coverage Extension for Valuable Papers And Records (Other Than Electronic Data) for limited coverage for valuable papers and records other than those which exist as electronic data;

p. Vehicles or self-propelled machines (including aircraft or watercraft) that:

(1) Are licensed for use on public roads; or

(2) Are operated principally away from the described premises.

This paragraph does not apply to:

(a) Vehicles or self-propelled machines or autos you manufacture, process or warehouse;

 © Insurance Services Office, Inc., 2011

(b) Vehicles or self-propelled machines, other than autos, you hold for sale;

(c) Rowboats or canoes out of water at the described premises; or

(d) Trailers, but only to the extent provided for in the Coverage Extension for Non-owned Detached Trailers; or

q. The following property while outside of buildings:

(1) Grain, hay, straw or other crops;

(2) Fences, radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers, trees, shrubs or plants (other than trees, shrubs or plants which are "stock" or are part of a vegetated roof), all except as provided in the Coverage Extensions.

3. Covered Causes Of Loss

See applicable Causes Of Loss form as shown in the Declarations.

4. Additional Coverages

a. Debris Removal

(1) Subject to Paragraphs **(2)**, **(3)** and **(4),** we will pay your expense to remove debris of Covered Property and other debris that is on the described premises, when such debris is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.

(2) Debris Removal does not apply to costs to:

(a) Remove debris of property of yours that is not insured under this policy, or property in your possession that is not Covered Property;

(b) Remove debris of property owned by or leased to the landlord of the building where your described premises are located, unless you have a contractual responsibility to insure such property and it is insured under this policy;

(c) Remove any property that is Property Not Covered, including property addressed under the Outdoor Property Coverage Extension;

(d) Remove property of others of a type that would not be Covered Property under this Coverage Form;

(e) Remove deposits of mud or earth from the grounds of the described premises;

(f) Extract "pollutants" from land or water; or

(g) Remove, restore or replace polluted land or water.

(3) Subject to the exceptions in Paragraph **(4),** the following provisions apply:

(a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.

(b) Subject to **(a)** above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage. However, if no Covered Property has sustained direct physical loss or damage, the most we will pay for removal of debris of other property (if such removal is covered under this Additional Coverage) is $5,000 at each location.

(4) We will pay up to an additional $25,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:

(a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.

(b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if **(4)(a)** and/or **(4)(b)** applies, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus $25,000.

(5) Examples

The following examples assume that there is no Coinsurance penalty.

Example 1

Limit of Insurance:	$ 90,000
Amount of Deductible:	$ 500
Amount of Loss:	$ 50,000
Amount of Loss Payable:	$ 49,500
	($50,000 – $500)
Debris Removal Expense:	$ 10,000
Debris Removal Expense Payable:	$ 10,000

($10,000 is 20% of $50,000.)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense ($49,500 + $10,000 = $59,500) is less than the Limit of Insurance. Therefore, the full amount of debris removal expense is payable in accordance with the terms of Paragraph **(3).**

Example 2

Limit of Insurance:	$ 90,000
Amount of Deductible:	$ 500
Amount of Loss:	$ 80,000
Amount of Loss Payable:	$ 79,500
	($80,000 – $500)
Debris Removal Expense:	$ 40,000
Debris Removal Expense Payable	
Basic Amount:	$ 10,500
Additional Amount:	$ 25,000

The basic amount payable for debris removal expense under the terms of Paragraph **(3)** is calculated as follows: $80,000 ($79,500 + $500) x .25 = $20,000, capped at $10,500. The cap applies because the sum of the loss payable ($79,500) and the basic amount payable for debris removal expense ($10,500) cannot exceed the Limit of Insurance ($90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph **(4),** because the debris removal expense ($40,000) exceeds 25% of the loss payable plus the deductible ($40,000 is 50% of $80,000), and because the sum of the loss payable and debris removal expense ($79,500 + $40,000 = $119,500) would exceed the Limit of Insurance ($90,000). The additional amount of covered debris removal expense is $25,000, the maximum payable under Paragraph **(4).** Thus, the total payable for debris removal expense in this example is $35,500; $4,500 of the debris removal expense is not covered.

b. Preservation Of Property

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss or damage to that property:

(1) While it is being moved or while temporarily stored at another location; and

(2) Only if the loss or damage occurs within 30 days after the property is first moved.

c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to $1,000 for service at each premises described in the Declarations, unless a higher limit is shown in the Declarations. Such limit is the most we will pay regardless of the number of responding fire departments or fire units, and regardless of the number or type of services performed.

This Additional Coverage applies to your liability for fire department service charges:

(1) Assumed by contract or agreement prior to loss; or

(2) Required by local ordinance.

No Deductible applies to this Additional Coverage.

 © Insurance Services Office, Inc., 2011

d. Pollutant Clean-up And Removal

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage for each described premises is $10,000 for the sum of all covered expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

e. Increased Cost Of Construction

(1) This Additional Coverage applies only to buildings to which the Replacement Cost Optional Coverage applies.

(2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with the minimum standards of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in **e.(3)** through **e.(9)** of this Additional Coverage.

(3) The ordinance or law referred to in **e.(2)** of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises and is in force at the time of loss.

(4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:

(a) You were required to comply with before the loss, even when the building was undamaged; and

(b) You failed to comply with.

(5) Under this Additional Coverage, we will not pay for:

(a) The enforcement of or compliance with any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or

(b) Any costs associated with the enforcement of or compliance with an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.

(6) The most we will pay under this Additional Coverage, for each described building insured under this Coverage Form, is $10,000 or 5% of the Limit of Insurance applicable to that building, whichever is less. If a damaged building is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for that damaged building, is the lesser of $10,000 or 5% times the value of the damaged building as of the time of loss times the applicable Coinsurance percentage.

The amount payable under this Additional Coverage is additional insurance.

(7) With respect to this Additional Coverage:

(a) We will not pay for the Increased Cost of Construction:

(i) Until the property is actually repaired or replaced at the same or another premises; and

(ii) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

(b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the same premises.

(c) If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the new premises.

(8) This Additional Coverage is not subject to the terms of the Ordinance Or Law Exclusion to the extent that such Exclusion would conflict with the provisions of this Additional Coverage.

(9) The costs addressed in the Loss Payment and Valuation Conditions and the Replacement Cost Optional Coverage, in this Coverage Form, do not include the increased cost attributable to enforcement of or compliance with an ordinance or law. The amount payable under this Additional Coverage, as stated in **e.(6)** of this Additional Coverage, is not subject to such limitation.

f. Electronic Data

(1) Under this Additional Coverage, electronic data has the meaning described under Property Not Covered, Electronic Data. This Additional Coverage does not apply to your "stock" of prepackaged software, or to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system.

(2) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore electronic data which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.

(3) The Covered Causes of Loss applicable to Your Business Personal Property apply to this Additional Coverage, Electronic Data, subject to the following:

(a) If the Causes Of Loss – Special Form applies, coverage under this Additional Coverage, Electronic Data, is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.

(b) If the Causes Of Loss – Broad Form applies, coverage under this Additional Coverage, Electronic Data, includes Collapse as set forth in that form.

(c) If the Causes Of Loss form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Electronic Data.

(d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.

 © Insurance Services Office, Inc., 2011

(4) The most we will pay under this Additional Coverage, Electronic Data, is $2,500 (unless a higher limit is shown in the Declarations) for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

5. Coverage Extensions

Except as otherwise provided, the following Extensions apply to property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

If a Coinsurance percentage of 80% or more, or a Value Reporting period symbol, is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

a. Newly Acquired Or Constructed Property

(1) Buildings

If this policy covers Building, you may extend that insurance to apply to:

(a) Your new buildings while being built on the described premises; and

(b) Buildings you acquire at locations, other than the described premises, intended for:

(i) Similar use as the building described in the Declarations; or

(ii) Use as a warehouse.

The most we will pay for loss or damage under this Extension is $250,000 at each building.

(2) Your Business Personal Property

(a) If this policy covers Your Business Personal Property, you may extend that insurance to apply to:

(i) Business personal property, including such property that you newly acquire, at any location you acquire other than at fairs, trade shows or exhibitions; or

(ii) Business personal property, including such property that you newly acquire, located at your newly constructed or acquired buildings at the location described in the Declarations.

The most we will pay for loss or damage under this Extension is $100,000 at each building.

(b) This Extension does not apply to:

(i) Personal property of others that is temporarily in your possession in the course of installing or performing work on such property; or

(ii) Personal property of others that is temporarily in your possession in the course of your manufacturing or wholesaling activities.

(3) Period Of Coverage

With respect to insurance provided under this Coverage Extension for Newly Acquired Or Constructed Property, coverage will end when any of the following first occurs:

(a) This policy expires;

(b) 30 days expire after you acquire the property or begin construction of that part of the building that would qualify as covered property; or

(c) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property or begin construction of that part of the building that would qualify as covered property.

b. Personal Effects And Property Of Others

You may extend the insurance that applies to Your Business Personal Property to apply to:

(1) Personal effects owned by you, your officers, your partners or members, your managers or your employees. This Extension does not apply to loss or damage by theft.

(2) Personal property of others in your care, custody or control.

c. Valuable Papers And Records (Other Than Electronic Data)

(1) You may extend the insurance that applies to Your Business Personal Property to apply to the cost to replace or restore the lost information on valuable papers and records for which duplicates do not exist. But this Extension does not apply to valuable papers and records which exist as electronic data. Electronic data has the meaning described under Property Not Covered, Electronic Data.

(2) If the Causes Of Loss – Special Form applies, coverage under this Extension is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.

(3) If the Causes Of Loss – Broad Form applies, coverage under this Extension includes Collapse as set forth in that form.

(4) Under this Extension, the most we will pay to replace or restore the lost information is $2,500 at each described premises, unless a higher limit is shown in the Declarations. Such amount is additional insurance. We will also pay for the cost of blank material for reproducing the records (whether or not duplicates exist) and (when there is a duplicate) for the cost of labor to transcribe or copy the records. The costs of blank material and labor are subject to the applicable Limit of Insurance on Your Business Personal Property and, therefore, coverage of such costs is not additional insurance.

d. Property Off-premises

(1) You may extend the insurance provided by this Coverage Form to apply to your Covered Property while it is away from the described premises, if it is:

(a) Temporarily at a location you do not own, lease or operate;

(b) In storage at a location you lease, provided the lease was executed after the beginning of the current policy term; or

(c) At any fair, trade show or exhibition.

(2) This Extension does not apply to property:

(1) Fire;

(2) Lightning;

(3) Explosion;

(4) Riot or Civil Commotion; or

(5) Aircraft.

The most we will pay for loss or damage under this Extension is $1,000, but not more than $250 for any one tree, shrub or plant. These limits apply to any one occurrence, regardless of the types or number of items lost or damaged in that occurrence.

 © Insurance Services Office, Inc., 2011

Subject to all aforementioned terms and limitations of coverage, this Coverage Extension includes the expense of removing from the described premises the debris of trees, shrubs and plants which are the property of others, except in the situation in which you are a tenant and such property is owned by the landlord of the described premises.

f. Non-owned Detached Trailers

(1) You may extend the insurance that applies to Your Business Personal Property to apply to loss or damage to trailers that you do not own, provided that:

(a) The trailer is used in your business;

(b) The trailer is in your care, custody or control at the premises described in the Declarations; and

(c) You have a contractual responsibility to pay for loss or damage to the trailer.

(2) We will not pay for any loss or damage that occurs:

(a) While the trailer is attached to any motor vehicle or motorized conveyance, whether or not the motor vehicle or motorized conveyance is in motion;

(b) During hitching or unhitching operations, or when a trailer becomes accidentally unhitched from a motor vehicle or motorized conveyance.

(3) The most we will pay for loss or damage under this Extension is $5,000, unless a higher limit is shown in the Declarations.

(4) This insurance is excess over the amount due (whether you can collect on it or not) from any other insurance covering such property.

g. Business Personal Property Temporarily In Portable Storage Units

(1) You may extend the insurance that applies to Your Business Personal Property to apply to such property while temporarily stored in a portable storage unit (including a detached trailer) located within 100 feet of the building or structure described in the Declarations or within 100 feet of the premises described in the Declarations, whichever distance is greater.

(2) If the applicable Covered Causes of Loss form or endorsement contains a limitation or exclusion concerning loss or damage from sand, dust, sleet, snow, ice or rain to property in a structure, such limitation or exclusion also applies to property in a portable storage unit.

(3) Coverage under this Extension:

(a) Will end 90 days after the business personal property has been placed in the storage unit;

(b) Does not apply if the storage unit itself has been in use at the described premises for more than 90 consecutive days, even if the business personal property has been stored there for 90 or fewer days as of the time of loss or damage.

(4) Under this Extension, the most we will pay for the total of all loss or damage to business personal property is $10,000 (unless a higher limit is indicated in the Declarations for such Extension) regardless of the number of storage units. Such limit is part of, not in addition to, the applicable Limit of Insurance on Your Business Personal Property. Therefore, payment under this Extension will not increase the applicable Limit of Insurance on Your Business Personal Property.

(5) This Extension does not apply to loss or damage otherwise covered under this Coverage Form or any endorsement to this Coverage Form or policy, and does not apply to loss or damage to the storage unit itself.

Each of these Extensions is additional insurance unless otherwise indicated. The Additional Condition, Coinsurance, does not apply to these Extensions.

B. Exclusions And Limitations

See applicable Causes Of Loss form as shown in the Declarations.

C. Limits Of Insurance

The most we will pay for loss or damage in any one occurrence is the applicable Limit Of Insurance shown in the Declarations.

The most we will pay for loss or damage to outdoor signs, whether or not the sign is attached to a building, is $2,500 per sign in any one occurrence.

The amounts of insurance stated in the following Additional Coverages apply in accordance with the terms of such coverages and are separate from the Limit(s) Of Insurance shown in the Declarations for any other coverage:

1. Fire Department Service Charge;

2. Pollutant Clean-up And Removal;

3. Increased Cost Of Construction; and

4. Electronic Data.

Payments under the Preservation Of Property Additional Coverage will not increase the applicable Limit of Insurance.

D. Deductible

In any one occurrence of loss or damage (hereinafter referred to as loss), we will first reduce the amount of loss if required by the Coinsurance Condition or the Agreed Value Optional Coverage. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the adjusted amount of loss and will pay the resulting amount or the Limit of Insurance, whichever is less.

When the occurrence involves loss to more than one item of Covered Property and separate Limits of Insurance apply, the losses will not be combined in determining application of the Deductible. But the Deductible will be applied only once per occurrence.

Example 1

(This example assumes there is no Coinsurance penalty.)

Deductible:	$ 250
Limit of Insurance – Building 1:	$ 60,000
Limit of Insurance – Building 2:	$ 80,000
Loss to Building 1:	$ 60,100
Loss to Building 2:	$ 90,000

The amount of loss to Building 1 ($60,100) is less than the sum ($60,250) of the Limit of Insurance applicable to Building 1 plus the Deductible.

The Deductible will be subtracted from the amount of loss in calculating the loss payable for Building 1:

$ 60,100
– 250
$ 59,850 Loss Payable – Building 1

The Deductible applies once per occurrence and therefore is not subtracted in determining the amount of loss payable for Building 2. Loss payable for Building 2 is the Limit of Insurance of $80,000.

Total amount of loss payable:

$59,850 + $80,000 = $139,850

Example 2

(This example, too, assumes there is no Coinsurance penalty.)

The Deductible and Limits of Insurance are the same as those in Example 1.

Loss to Building 1:	$ 70,000
(Exceeds Limit of Insurance plus Deductible)	
Loss to Building 2:	$ 90,000
(Exceeds Limit of Insurance plus Deductible)	
Loss Payable – Building 1:	$ 60,000
(Limit of Insurance)	
Loss Payable – Building 2:	$ 80,000
(Limit of Insurance)	
Total amount of loss payable:	$ 140,000

E. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

a. Pay its chosen appraiser; and

b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. Duties In The Event Of Loss Or Damage

a. You must see that the following are done in the event of loss or damage to Covered Property:

(1) Notify the police if a law may have been broken.

 © Insurance Services Office, Inc., 2011

(2) Give us prompt notice of the loss or damage. Include a description of the property involved.

(3) As soon as possible, give us a description of how, when and where the loss or damage occurred.

(4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.

(5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.

(6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also, permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

(7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.

(8) Cooperate with us in the investigation or settlement of the claim.

b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

4. Loss Payment

a. In the event of loss or damage covered by this Coverage Form, at our option, we will either:

(1) Pay the value of lost or damaged property;

(2) Pay the cost of repairing or replacing the lost or damaged property, subject to **b.** below;

(3) Take all or any part of the property at an agreed or appraised value; or

(4) Repair, rebuild or replace the property with other property of like kind and quality, subject to **b.** below.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of the Valuation Condition in this Coverage Form or any applicable provision which amends or supersedes the Valuation Condition.

b. The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

c. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.

d. We will not pay you more than your financial interest in the Covered Property.

e. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.

f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.

g. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part, and:

(1) We have reached agreement with you on the amount of loss; or

(2) An appraisal award has been made.

h. A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance, the Valuation and Coinsurance Conditions and all other provisions of this Loss Payment Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer Of Rights Of Recovery Against Others To Us Condition in this policy.

5. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

6. Vacancy

a. Description Of Terms

(1) As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in **(1)(a)** and **(1)(b)** below:

(a) When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.

(b) When this policy is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:

(i) Rented to a lessee or sublessee and used by the lessee or sublessee to conduct its customary operations; and/or

(ii) Used by the building owner to conduct customary operations.

(2) Buildings under construction or renovation are not considered vacant.

b. Vacancy Provisions

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

(1) We will not pay for any loss or damage caused by any of the following, even if they are Covered Causes of Loss:

(a) Vandalism;

(b) Sprinkler leakage, unless you have protected the system against freezing;

(c) Building glass breakage;

(d) Water damage;

(e) Theft; or

(f) Attempted theft.

(2) With respect to Covered Causes of Loss other than those listed in **b.(1)(a)** through **b.(1)(f)** above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

7. Valuation

We will determine the value of Covered Property in the event of loss or damage as follows:

a. At actual cash value as of the time of loss or damage, except as provided in **b., c., d.** and **e.** below.

b. If the Limit of Insurance for Building satisfies the Additional Condition, Coinsurance, and the cost to repair or replace the damaged building property is $2,500 or less, we will pay the cost of building repairs or replacement.

 © Insurance Services Office, Inc., 2011

The cost of building repairs or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

However, the following property will be valued at the actual cash value, even when attached to the building:

(1) Awnings or floor coverings;

(2) Appliances for refrigerating, ventilating, cooking, dishwashing or laundering; or

(3) Outdoor equipment or furniture.

c. "Stock" you have sold but not delivered at the selling price less discounts and expenses you otherwise would have had.

d. Glass at the cost of replacement with safety-glazing material if required by law.

e. Tenants' Improvements and Betterments at:

(1) Actual cash value of the lost or damaged property if you make repairs promptly.

(2) A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:

(a) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and

(b) Divide the amount determined in **(a)** above by the number of days from the installation of improvements to the expiration of the lease.

If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.

(3) Nothing if others pay for repairs or replacement.

F. Additional Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies:

a. We will not pay the full amount of any loss if the value of Covered Property at the time of loss times the Coinsurance percentage shown for it in the Declarations is greater than the Limit of Insurance for the property.

Instead, we will determine the most we will pay using the following steps:

(1) Multiply the value of Covered Property at the time of loss by the Coinsurance percentage;

(2) Divide the Limit of Insurance of the property by the figure determined in Step **(1);**

(3) Multiply the total amount of loss, before the application of any deductible, by the figure determined in Step **(2);** and

(4) Subtract the deductible from the figure determined in Step **(3).**

We will pay the amount determined in Step **(4)** or the Limit of Insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

Example 1 (Underinsurance)

When:	The value of the property is:	$ 250,000
	The Coinsurance percentage for it is:	80%
	The Limit of Insurance for it is:	$ 100,000
	The Deductible is:	$ 250
	The amount of loss is:	$ 40,000

Step **(1):** $250,000 x 80% = $200,000
(the minimum amount of insurance to meet your Coinsurance requirements)

Step **(2):** $100,000 ÷ $200,000 = .50

Step **(3):** $40,000 x .50 = $20,000

Step **(4):** $20,000 – $250 = $19,750

We will pay no more than $19,750. The remaining $20,250 is not covered.

Example 2 (Adequate Insurance)

When:	The value of the property is:	$ 250,000
	The Coinsurance percentage for it is:	80%
	The Limit of Insurance for it is:	$ 200,000
	The Deductible is:	$ 250
	The amount of loss is:	$ 40,000

The minimum amount of insurance to meet your Coinsurance requirement is $200,000 ($250,000 x 80%). Therefore, the Limit of Insurance in this example is adequate, and no penalty applies. We will pay no more than $39,750 ($40,000 amount of loss minus the deductible of $250).

b. If one Limit of Insurance applies to two or more separate items, this condition will apply to the total of all property to which the limit applies.

Example 3

When:	The value of the property is:	
	Building at Location 1:	$ 75,000
	Building at Location 2:	$ 100,000
	Personal Property at Location 2:	$ 75,000
		$ 250,000
	The Coinsurance percentage for it is:	90%
	The Limit of Insurance for Buildings and Personal Property at Locations 1 and 2 is:	$ 180,000
	The Deductible is:	$ 1,000
	The amount of loss is:	
	Building at Location 2:	$ 30,000
	Personal Property at Location 2:	$ 20,000
		$ 50,000

Step **(1):** $250,000 x 90% = $225,000
(the minimum amount of insurance to meet your Coinsurance requirements and to avoid the penalty shown below)

Step **(2):** $180,000 ÷ $225,000 = .80

Step **(3):** $50,000 x .80 = $40,000

Step **(4):** $40,000 – $1,000 = $39,000

We will pay no more than $39,000. The remaining $11,000 is not covered.

2. Mortgageholders

a. The term mortgageholder includes trustee.

b. We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.

c. The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.

d. If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the mortgageholder will still have the right to receive loss payment if the mortgageholder:

(1) Pays any premium due under this Coverage Part at our request if you have failed to do so;

(2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and

(3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this Coverage Part will then apply directly to the mortgageholder.

e. If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:

(1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and

(2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

f. If we cancel this policy, we will give written notice to the mortgageholder at least:

(1) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or

(2) 30 days before the effective date of cancellation if we cancel for any other reason.

g. If we elect not to renew this policy, we will give written notice to the mortgageholder at least 10 days before the expiration date of this policy.

G. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item:

1. Agreed Value

a. The Additional Condition, Coinsurance, does not apply to Covered Property to which this Optional Coverage applies. We will pay no more for loss of or damage to that property than the proportion that the Limit of Insurance under this Coverage Part for the property bears to the Agreed Value shown for it in the Declarations.

© Insurance Services Office, Inc., 2011

b. If the expiration date for this Optional Coverage shown in the Declarations is not extended, the Additional Condition, Coinsurance, is reinstated and this Optional Coverage expires.

c. The terms of this Optional Coverage apply only to loss or damage that occurs:

(1) On or after the effective date of this Optional Coverage; and

(2) Before the Agreed Value expiration date shown in the Declarations or the policy expiration date, whichever occurs first.

2. Inflation Guard

a. The Limit of Insurance for property to which this Optional Coverage applies will automatically increase by the annual percentage shown in the Declarations.

b. The amount of increase will be:

(1) The Limit of Insurance that applied on the most recent of the policy inception date, the policy anniversary date, or any other policy change amending the Limit of Insurance, times

(2) The percentage of annual increase shown in the Declarations, expressed as a decimal (example: 8% is .08), times

(3) The number of days since the beginning of the current policy year or the effective date of the most recent policy change amending the Limit of Insurance, divided by 365.

Example

If:	The applicable Limit of Insurance is:	$ 100,000
	The annual percentage increase is:	8%
	The number of days since the beginning of the policy year (or last policy change) is:	146
	The amount of increase is: $100,000 x .08 x 146 ÷ 365 =	$ 3,200

3. Replacement Cost

a. Replacement Cost (without deduction for depreciation) replaces Actual Cash Value in the Valuation Loss Condition of this Coverage Form.

b. This Optional Coverage does not apply to:

(1) Personal property of others;

(2) Contents of a residence;

(3) Works of art, antiques or rare articles, including etchings, pictures, statuary, marbles, bronzes, porcelains and bric-a-brac; or

(4) "Stock", unless the Including "Stock" option is shown in the Declarations.

Under the terms of this Replacement Cost Optional Coverage, tenants' improvements and betterments are not considered to be the personal property of others.

c. You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the additional coverage this Optional Coverage provides if you notify us of your intent to do so within 180 days after the loss or damage.

d. We will not pay on a replacement cost basis for any loss or damage:

(1) Until the lost or damaged property is actually repaired or replaced; and

(2) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage.

With respect to tenants' improvements and betterments, the following also apply:

(3) If the conditions in **d.(1)** and **d.(2)** above are not met, the value of tenants' improvements and betterments will be determined as a proportion of your original cost, as set forth in the Valuation Loss Condition of this Coverage Form; and

(4) We will not pay for loss or damage to tenants' improvements and betterments if others pay for repairs or replacement.

e. We will not pay more for loss or damage on a replacement cost basis than the least of **(1), (2)** or **(3),** subject to **f.** below:

(1) The Limit of Insurance applicable to the lost or damaged property;

(2) The cost to replace the lost or damaged property with other property:

(a) Of comparable material and quality; and

(b) Used for the same purpose; or

(3) The amount actually spent that is necessary to repair or replace the lost or damaged property.

If a building is rebuilt at a new premises, the cost described in **e.(2)** above is limited to the cost which would have been incurred if the building had been rebuilt at the original premises.

f. The cost of repair or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

4. Extension Of Replacement Cost To Personal Property Of Others

a. If the Replacement Cost Optional Coverage is shown as applicable in the Declarations, then this Extension may also be shown as applicable. If the Declarations show this Extension as applicable, then Paragraph **3.b.(1)** of the Replacement Cost Optional Coverage is deleted and all other provisions of the Replacement Cost Optional Coverage apply to replacement cost on personal property of others.

b. With respect to replacement cost on the personal property of others, the following limitation applies:

If an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance.

BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section **F.** Definitions.

A. Coverage

1. Business Income

Business Income means the:

a. Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred; and

b. Continuing normal operating expenses incurred, including payroll.

For manufacturing risks, Net Income includes the net sales value of production.

Coverage is provided as described and limited below for one or more of the following options for which a Limit Of Insurance is shown in the Declarations:

(1) Business Income Including "Rental Value".

(2) Business Income Other Than "Rental Value".

(3) "Rental Value".

If option **(1)** above is selected, the term Business Income will include "Rental Value". If option **(3)** above is selected, the term Business Income will mean "Rental Value" only.

If Limits of Insurance are shown under more than one of the above options, the provisions of this Coverage Part apply separately to each.

We will pay for the actual loss of Business Income you sustain due to the necessary "suspension" of your "operations" during the "period of restoration". The "suspension" must be caused by direct physical loss of or damage to property at premises which are described in the Declarations and for which a Business Income Limit Of Insurance is shown in the Declarations. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of such premises.

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of a building, your premises means:

(a) The portion of the building which you rent, lease or occupy;

(b) The area within 100 feet of the building or within 100 feet of the premises described in the Declarations, whichever distance is greater (with respect to loss of or damage to personal property in the open or personal property in a vehicle); and

 © Insurance Services Office, Inc., 2011

(c) Any area within the building or at the described premises, if that area services, or is used to gain access to, the portion of the building which you rent, lease or occupy.

2. Covered Causes Of Loss, Exclusions And Limitations

See applicable Causes Of Loss form as shown in the Declarations.

3. Additional Limitation – Interruption Of Computer Operations

a. Coverage for Business Income does not apply when a "suspension" of "operations" is caused by destruction or corruption of electronic data, or any loss or damage to electronic data, except as provided under the Additional Coverage, Interruption Of Computer Operations.

b. Electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data.

c. This Additional Limitation does not apply when loss or damage to electronic data involves only electronic data which is integrated in and operates or controls a building's elevator, lighting, heating, ventilation, air conditioning or security system.

4. Additional Coverages

a. Expenses To Reduce Loss

In the event of a covered loss of Business Income, we will pay necessary expenses you incur, except the cost of extinguishing a fire, to avoid further loss of Business Income. The total of our payment for Business Income loss and Expenses To Reduce Loss will not be more than the Business Income loss that would have been payable under this Coverage Form (after application of any Coinsurance penalty) if the Expenses To Reduce Loss had not been incurred. This coverage does not increase the Limit of Insurance.

The Coinsurance condition does not apply specifically to such Expenses To Reduce Loss, but it is used as described above to determine the total amount payable.

b. Civil Authority

In this Additional Coverage, Civil Authority, the described premises are premises to which this Coverage Form applies, as shown in the Declarations.

When a Covered Cause of Loss causes damage to property other than property at the described premises, we will pay for the actual loss of Business Income you sustain caused by action of civil authority that prohibits access to the described premises, provided that both of the following apply:

(1) Access to the area immediately surrounding the damaged property is prohibited by civil authority as a result of the damage, and the described premises are within that area but are not more than one mile from the damaged property; and

(2) The action of civil authority is taken in response to dangerous physical conditions resulting from the damage or continuation of the Covered Cause of Loss that caused the damage, or the action is taken to enable a civil authority to have unimpeded access to the damaged property.

© Insurance Services Office, Inc., 2011

Civil Authority Coverage will begin 72 hours after the time of the first action of civil authority that prohibits access to the described premises and will apply for a period of up to four consecutive weeks from the date on which such coverage began.

c. Alterations And New Buildings

We will pay for the actual loss of Business Income you sustain due to direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss to:

(1) New buildings or structures, whether complete or under construction;

(2) Alterations or additions to existing buildings or structures; and

(3) Machinery, equipment, supplies or building materials located on or within 100 feet of the described premises and:

(a) Used in the construction, alterations or additions; or

(b) Incidental to the occupancy of new buildings.

If such direct physical loss or damage delays the start of "operations", the "period of restoration" will begin on the date "operations" would have begun if the direct physical loss or damage had not occurred.

d. Extended Business Income

(1) Business Income Other Than "Rental Value"

If the necessary "suspension" of your "operations" produces a Business Income loss payable under this policy, we will pay for the actual loss of Business Income you incur during the period that:

(a) Begins on the date property (except "finished stock") is actually repaired, rebuilt or replaced and "operations" are resumed; and

(b) Ends on the earlier of:

(i) The date you could restore your "operations", with reasonable speed, to the level which would generate the business income amount that would have existed if no direct physical loss or damage had occurred; or

(ii) 60 consecutive days after the date determined in **(1)(a)** above.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

(2) "Rental Value"

If the necessary "suspension" of your "operations" produces a "Rental Value" loss payable under this policy, we will pay for the actual loss of "Rental Value" you incur during the period that:

(a) Begins on the date property is actually repaired, rebuilt or replaced and tenantability is restored; and

(b) Ends on the earlier of:

(i) The date you could restore tenant occupancy, with reasonable speed, to the level which would generate the "Rental Value" that would have existed if no direct physical loss or damage had occurred; or

(ii) 60 consecutive days after the date determined in **(2)(a)** above.

However, Extended Business Income does not apply to loss of "Rental Value" incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of "Rental Value" must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

e. Interruption Of Computer Operations

(1) Under this Additional Coverage, electronic data has the meaning described under Additional Limitation – Interruption Of Computer Operations.

(2) Subject to all provisions of this Additional Coverage, you may extend the insurance that applies to Business Income to apply to a "suspension" of "operations" caused by an interruption in computer operations due to destruction or corruption of electronic data due to a Covered Cause of Loss. However, we will not provide coverage under this Additional Coverage when the Additional Limitation – Interruption Of Computer Operations does not apply based on Paragraph **A.3.c.** therein.

(3) With respect to the coverage provided under this Additional Coverage, the Covered Causes of Loss are subject to the following:

(a) If the Causes Of Loss – Special Form applies, coverage under this Additional Coverage, Interruption Of Computer Operations, is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.

(b) If the Causes Of Loss – Broad Form applies, coverage under this Additional Coverage, Interruption Of Computer Operations, includes Collapse as set forth in that form.

(c) If the Causes Of Loss form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Interruption Of Computer Operations.

(d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for an interruption related to manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, maintain, repair or replace that system.

(4) The most we will pay under this Additional Coverage, Interruption Of Computer Operations, is $2,500 (unless a higher limit is shown in the Declarations) for all loss sustained in any one policy year, regardless of the number of interruptions or the number of premises, locations or computer systems involved. If loss payment relating to the first interruption does not exhaust this amount, then the balance is available for loss sustained as a result of subsequent interruptions in that policy year. A balance remaining at the end of a policy year does not increase the amount of insurance in the next policy year. With respect to any interruption which begins in one policy year and continues or results in additional loss in a subsequent policy year(s), all loss is deemed to be sustained in the policy year in which the interruption began.

(5) This Additional Coverage, Interruption Of Computer Operations, does not apply to loss sustained after the end of the "period of restoration", even if the amount of insurance stated in **(4)** above has not been exhausted.

5. Coverage Extension

If a Coinsurance percentage of 50% or more is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

NEWLY ACQUIRED LOCATIONS

a. You may extend your Business Income Coverage to apply to property at any location you acquire other than fairs or exhibitions.

b. The most we will pay for loss under this Extension is $100,000 at each location, unless a higher limit is shown in the Declarations.

c. Insurance under this Extension for each newly acquired location will end when any of the following first occurs:

(1) This policy expires;

(2) 30 days expire after you acquire or begin to construct the property; or

(3) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property.

The Additional Condition, Coinsurance, does not apply to this Extension.

 © Insurance Services Office, Inc., 2011

B. Limits Of Insurance

The most we will pay for loss in any one occurrence is the applicable Limit Of Insurance shown in the Declarations.

Payments under the following Additional Coverages will not increase the applicable Limit of Insurance:

1. Alterations And New Buildings;

2. Civil Authority;

3. Extended Business Income; or

4. Expenses To Reduce Loss.

The amounts of insurance stated in the Interruption Of Computer Operations Additional Coverage and the Newly Acquired Locations Coverage Extension apply in accordance with the terms of those coverages and are separate from the Limit(s) Of Insurance shown in the Declarations for any other coverage.

C. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Appraisal

If we and you disagree on the amount of Net Income and operating expense or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser.

The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the amount of Net Income and operating expense or amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

a. Pay its chosen appraiser; and

b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

2. Duties In The Event Of Loss

a. You must see that the following are done in the event of loss:

(1) Notify the police if a law may have been broken.

(2) Give us prompt notice of the direct physical loss or damage. Include a description of the property involved.

(3) As soon as possible, give us a description of how, when and where the direct physical loss or damage occurred.

(4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.

(5) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

(6) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.

(7) Cooperate with us in the investigation or settlement of the claim.

(8) If you intend to continue your business, you must resume all or part of your "operations" as quickly as possible.

b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

3. Loss Determination

a. The amount of Business Income loss will be determined based on:

(1) The Net Income of the business before the direct physical loss or damage occurred;

(2) The likely Net Income of the business if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses;

(3) The operating expenses, including payroll expenses, necessary to resume "operations" with the same quality of service that existed just before the direct physical loss or damage; and

(4) Other relevant sources of information, including:

(a) Your financial records and accounting procedures;

(b) Bills, invoices and other vouchers; and

(c) Deeds, liens or contracts.

b. Resumption Of Operations

We will reduce the amount of your Business Income loss to the extent you can resume your "operations", in whole or in part, by using damaged or undamaged property (including merchandise or stock) at the described premises or elsewhere.

c. If you do not resume "operations", or do not resume "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume "operations" as quickly as possible.

4. Loss Payment

We will pay for covered loss within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part, and:

a. We have reached agreement with you on the amount of loss; or

b. An appraisal award has been made.

D. Additional Condition

COINSURANCE

If a Coinsurance percentage is shown in the Declarations, the following condition applies in addition to the Common Policy Conditions and the Commercial Property Conditions:

We will not pay the full amount of any loss if the Limit of Insurance for Business Income is less than:

1. The Coinsurance percentage shown for Business Income in the Declarations; times

2. The sum of:

a. The Net Income (Net Profit or Loss before income taxes); and

b. Operating expenses, including payroll expenses;

that would have been earned or incurred (had no loss occurred) by your "operations" at the described premises for the 12 months following the inception, or last previous anniversary date, of this policy (whichever is later).

Instead, we will determine the most we will pay using the following steps:

Step **(1):** Multiply the Net Income and operating expense for the 12 months following the inception, or last previous anniversary date, of this policy by the Coinsurance percentage;

Step **(2):** Divide the Limit of Insurance for the described premises by the figure determined in Step **(1);** and

Step **(3):** Multiply the total amount of loss by the figure determined in Step **(2).**

We will pay the amount determined in Step **(3)** or the Limit of Insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

In determining operating expenses for the purpose of applying the Coinsurance condition, the following expenses, if applicable, shall be deducted from the total of all operating expenses:

(1) Prepaid freight – outgoing;

(2) Returns and allowances;

(3) Discounts;

(4) Bad debts;

(5) Collection expenses;

(6) Cost of raw stock and factory supplies consumed (including transportation charges);

(7) Cost of merchandise sold (including transportation charges);

(8) Cost of other supplies consumed (including transportation charges);

(9) Cost of services purchased from outsiders (not employees) to resell, that do not continue under contract;

(10) Power, heat and refrigeration expenses that do not continue under contract (if Form **CP 15 11** is attached);

(11) All payroll expenses or the amount of payroll expense excluded (if Form **CP 15 10** is attached); and

 © Insurance Services Office, Inc., 2011

(12) Special deductions for mining properties (royalties unless specifically included in coverage; actual depletion commonly known as unit or cost depletion – not percentage depletion; welfare and retirement fund charges based on tonnage; hired trucks).

Example 1 (Underinsurance)

When:	The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this policy at the described premises would have been:	$ 400,000
	The Coinsurance percentage is:	50%
	The Limit of Insurance is:	$ 150,000
	The amount of loss is:	$ 80,000

Step **(1):** $400,000 x 50% = $200,000
(the minimum amount of insurance to meet your Coinsurance requirements)

Step **(2):** $150,000 ÷ $200,000 = .75

Step **(3):** $80,000 x .75 = $60,000

We will pay no more than $60,000. The remaining $20,000 is not covered.

Example 2 (Adequate Insurance)

When:	The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this policy at the described premises would have been:	$ 400,000
	The Coinsurance percentage is:	50%
	The Limit of Insurance is:	$ 200,000
	The amount of loss is:	$ 80,000

The minimum amount of insurance to meet your Coinsurance requirement is $200,000 ($400,000 x 50%). Therefore, the Limit of Insurance in this example is adequate and no penalty applies. We will pay no more than $80,000 (amount of loss).

E. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item.

1. Maximum Period Of Indemnity

a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.

b. The most we will pay for loss of Business Income is the lesser of:

(1) The amount of loss sustained during the 120 days immediately following the beginning of the "period of restoration"; or

(2) The Limit Of Insurance shown in the Declarations.

2. Monthly Limit Of Indemnity

a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.

b. The most we will pay for loss of Business Income in each period of 30 consecutive days after the beginning of the "period of restoration" is:

(1) The Limit of Insurance, multiplied by

(2) The fraction shown in the Declarations for this Optional Coverage.

Example

When:	The Limit of Insurance is:	$ 120,000
	The fraction shown in the Declarations for this Optional Coverage is:	1/4
	The most we will pay for loss in each period of 30 consecutive days is:	$ 30,000
	($120,000 x 1/4 = $30,000)	
	If, in this example, the actual amount of loss is:	
	Days 1–30:	$ 40,000
	Days 31–60:	$ 20,000
	Days 61–90:	$ 30,000
		$ 90,000
	We will pay:	
	Days 1–30:	$ 30,000
	Days 31–60:	$ 20,000
	Days 61–90:	$ 30,000
		$ 80,000

The remaining $10,000 is not covered.

3. Business Income Agreed Value

a. To activate this Optional Coverage:

(1) A Business Income Report/Work Sheet must be submitted to us and must show financial data for your "operations":

(a) During the 12 months prior to the date of the Work Sheet; and

(b) Estimated for the 12 months immediately following the inception of this Optional Coverage.

(2) The Declarations must indicate that the Business Income Agreed Value Optional Coverage applies, and an Agreed Value must be shown in the Declarations. The Agreed Value should be at least equal to:

(a) The Coinsurance percentage shown in the Declarations; multiplied by

(b) The amount of Net Income and operating expenses for the following 12 months you report on the Work Sheet.

b. The Additional Condition, Coinsurance, is suspended until:

(1) 12 months after the effective date of this Optional Coverage; or

(2) The expiration date of this policy;

whichever occurs first.

c. We will reinstate the Additional Condition, Coinsurance, automatically if you do not submit a new Work Sheet and Agreed Value:

(1) Within 12 months of the effective date of this Optional Coverage; or

(2) When you request a change in your Business Income Limit of Insurance.

d. If the Business Income Limit of Insurance is less than the Agreed Value, we will not pay more of any loss than the amount of loss multiplied by:

(1) The Business Income Limit of Insurance; divided by

(2) The Agreed Value.

Example

When:	The Limit of Insurance is:	$ 100,000
	The Agreed Value is:	$ 200,000
	The amount of loss is:	$ 80,000

Step **(1):** $100,000 ÷ $200,000 = .50

Step **(2):** .50 x $80,000 = $40,000

We will pay $40,000. The remaining $40,000 is not covered.

4. Extended Period Of Indemnity

Under Paragraph **A.4.d., Extended Business Income,** the number 60 in Subparagraphs **(1)(b)** and **(2)(b)** is replaced by the number shown in the Declarations for this Optional Coverage.

But if Earth Movement, as described in **b.(1)** through **(4)** above, results in fire or explosion, we will pay for the loss or damage caused by that fire or explosion.

(5) Volcanic eruption, explosion or effusion. But if volcanic eruption, explosion or effusion results in fire, building glass breakage or Volcanic Action, we will pay for the loss or damage caused by that fire, building glass breakage or Volcanic Action.

This exclusion applies regardless of whether any of the above, in Paragraphs **(1)** through **(5),** is caused by an act of nature or is otherwise caused.

c. Governmental Action

Seizure or destruction of property by order of governmental authority.

But we will pay for loss or damage caused by or resulting from acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread, if the fire would be covered under this Coverage Part.

d. Nuclear Hazard

Nuclear reaction or radiation, or radioactive contamination, however caused.

But if nuclear reaction or radiation, or radioactive contamination, results in fire, we will pay for the loss or damage caused by that fire.

e. Utility Services

The failure of power, communication, water or other utility service supplied to the described premises, however caused, if the failure:

(1) Originates away from the described premises; or

(2) Originates at the described premises, but only if such failure involves equipment used to supply the utility service to the described premises from a source away from the described premises.

Failure of any utility service includes lack of sufficient capacity and reduction in supply.

Loss or damage caused by a surge of power is also excluded, if the surge would not have occurred but for an event causing a failure of power.

But if the failure or surge of power, or the failure of communication, water or other utility service, results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

Communication services include but are not limited to service relating to Internet access or access to any electronic, cellular or satellite network.

f. War And Military Action

(1) War, including undeclared or civil war;

(2) Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or

g. Water

(1) Flood, surface water, waves (including tidal wave and tsunami), tides, tidal water, overflow of any body of water, or spray from any of these, all whether or not driven by wind (including storm surge);

(2) Mudslide or mudflow;

(3) Water that backs up or overflows or is otherwise discharged from a sewer, drain, sump, sump pump or related equipment;

(4) Water under the ground surface pressing on, or flowing or seeping through:

(a) Foundations, walls, floors or paved surfaces;

(b) Basements, whether paved or not; or

(c) Doors, windows or other openings; or

(5) Waterborne material carried or otherwise moved by any of the water referred to in Paragraph **(1), (3)** or **(4),** or material carried or otherwise moved by mudslide or mudflow.

This exclusion applies regardless of whether any of the above, in Paragraphs **(1)** through **(5),** is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs **(1)** through **(5),** results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage (if sprinkler leakage is a Covered Cause of Loss).

h. "Fungus", Wet Rot, Dry Rot And Bacteria

Presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria.

But if "fungus", wet or dry rot or bacteria result in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

This exclusion does not apply:

(1) When "fungus", wet or dry rot or bacteria result from fire or lightning; or

(2) To the extent that coverage is provided in the Additional Coverage, Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria, with respect to loss or damage by a cause of loss other than fire or lightning.

Exclusions **B.1.a.** through **B.1.h.** apply whether or not the loss event results in widespread damage or affects a substantial area.

2. We will not pay for loss or damage caused by or resulting from:

a. Artificially generated electrical, magnetic or electromagnetic energy that damages, disturbs, disrupts or otherwise interferes with any:

(1) Electrical or electronic wire, device, appliance, system or network; or

(2) Device, appliance, system or network utilizing cellular or satellite technology.

For the purpose of this exclusion, electrical, magnetic or electromagnetic energy includes but is not limited to:

(a) Electrical current, including arcing;

(b) Electrical charge produced or conducted by a magnetic or electromagnetic field;

(c) Pulse of electromagnetic energy; or

(d) Electromagnetic waves or microwaves.

But if fire results, we will pay for the loss or damage caused by that fire.

b. Explosion of steam boilers, steam pipes, steam engines or steam turbines owned or leased by you, or operated under your control.

But if explosion of steam boilers, steam pipes, steam engines or steam turbines results in fire or combustion explosion, we will pay for the loss or damage caused by that fire or combustion explosion.

c. Mechanical breakdown, including rupture or bursting caused by centrifugal force.

But if mechanical breakdown results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

d. Neglect of an insured to use all reasonable means to save and preserve property from further damage at and after the time of loss.

3. Special Exclusions

(a) Delay in rebuilding, repairing or replacing the property or resuming "operations", due to interference at the location of the rebuilding, repair or replacement by strikers or other persons; or

(b) Suspension, lapse or cancellation of any license, lease or contract. But if the suspension, lapse or cancellation is directly caused by the "suspension" of "operations", we will cover such loss that affects your Business Income during the "period of restoration" and any extension of the "period of restoration" in accordance with the terms of the Extended Business Income Additional Coverage and the Extended Period Of Indemnity Optional Coverage or any variation of these.

(4) Any Extra Expense caused by or resulting from suspension, lapse or cancellation of any license, lease or contract beyond the "period of restoration".

But this exclusion does not apply to a written lease agreement in which you have assumed liability for building damage resulting from an actual or attempted burglary or robbery, provided that:

(i) Your assumption of liability was executed prior to the accident; and

(ii) The building is Covered Property under this Coverage Form.

(b) Nuclear Hazard

We will not defend any claim or "suit", or pay any damages, loss, expense or obligation, resulting from nuclear reaction or radiation, or radioactive contamination, however caused.

C. Additional Coverage – Collapse

The coverage provided under this Additional Coverage, Collapse, applies only to an abrupt collapse as described and limited in **C.1.** through **C.7.**

1. For the purpose of this Additional Coverage, Collapse, abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.

2. We will pay for direct physical loss or damage to Covered Property, caused by abrupt collapse of a building or any part of a building that is insured under this Coverage Form or that contains Covered Property insured under this Coverage Form, if such collapse is caused by one or more of the following:

a. Fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire-extinguishing equipment; sinkhole collapse; volcanic action; breakage of building glass; falling objects; weight of snow, ice or sleet; water damage, meaning accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of a plumbing, heating, air conditioning or other system or appliance (other than a sump system including its related equipment and parts), that is located on the described premises and contains water or steam; all only as insured against in this Coverage Part;

b. Building decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;

c. Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;

d. Weight of people or personal property;

e. Weight of rain that collects on a roof;

f. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs during the course of the construction, remodeling or renovation. However, if such collapse occurs after construction, remodeling or renovation is complete and is caused in part by a cause of loss listed in **2.a.** through **2.e.,** we will pay for the loss or damage even if use of defective material or methods, in construction, remodeling or renovation, contributes to the collapse.

This Additional Coverage, Collapse, does not limit the coverage otherwise provided under this Causes Of Loss form for the causes of loss listed in **2.a.**

3. This **Additional Coverage – Collapse** does **not** apply to:

a. A building or any part of a building that is in danger of falling down or caving in;

b. A part of a building that is standing, even if it has separated from another part of the building; or

c. A building that is standing or any part of a building that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

4. With respect to the following property:

a. Outdoor radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers;

b. Awnings, gutters and downspouts;

c. Yard fixtures;

d. Outdoor swimming pools;

e. Fences;

f. Piers, wharves and docks;

i. Walks, roadways and other paved surfaces;

if an abrupt collapse is caused by a cause of loss listed in **2.b.** through **2.f.** we will pay for loss or damage to that property only if:

(1) Such loss or damage is a direct result of the abrupt collapse of a building insured under this Coverage Form; and

(2) The property is Covered Property under this Coverage Form.

5. If personal property abruptly falls down or caves in and such collapse is **not** the result of abrupt collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:

a. The collapse of personal property was caused by a cause of loss listed in **2.a.** through **2.f.** above;

b. The personal property which collapses is inside a building; and

c. The property which collapses is not of a kind listed in **4.,** regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph **5.** does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

6. This Additional Coverage, Collapse, does not apply to personal property that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

© Insurance Services Office, Inc., 2011

7. This Additional Coverage, Collapse, will not increase the Limits of Insurance provided in this Coverage Part.

8. The term Covered Cause of Loss includes the Additional Coverage, Collapse, as described and limited in **C.1.** through **C.7.**

D. Additional Coverage – Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria

1. The coverage described in **D.2.** and **D.6.** only applies when the "fungus", wet or dry rot or bacteria are the result of one or more of the following causes that occur during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence:

a. A Covered Cause of Loss other than fire or lightning; or

b. Flood, if the Flood Coverage Endorsement applies to the affected premises.

This Additional Coverage does not apply to lawns, trees, shrubs or plants which are part of a vegetated roof.

2. We will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:

a. Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;

b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and

c. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.

3. The coverage described under **D.2.** of this Limited Coverage is limited to $15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of Covered Causes of Loss (other than fire or lightning) and Flood which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of $15,000 even if the "fungus", wet or dry rot or bacteria continue to be present or active, or recur, in a later policy period.

4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria cause an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

5. The terms of this Limited Coverage do not increase or reduce the coverage provided under Paragraph **b.** of Covered Cause Of Loss **9.** Sprinkler Leakage, or Paragraph **b.** of Covered Causes Of Loss **14.** Water Damage, or under the Additional Coverage, Collapse.

6. The following, **6.a.** or **6.b.,** applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the "suspension" of "operations" satisfies all terms and conditions of the applicable Business Income and/or Extra Expense Coverage Form:

a. If the loss which resulted in "fungus", wet or dry rot or bacteria does not in itself necessitate a "suspension" of "operations", but such "suspension" is necessary due to loss or damage to property caused by "fungus", wet or dry rot or bacteria, then our payment under Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.

b. If a covered "suspension" of "operations" was caused by loss or damage other than "fungus", wet or dry rot or bacteria but remediation of "fungus", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

E. Limitation

We will pay for loss of animals only if they are killed or their destruction is made necessary.

F. Definitions

"Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.

When Special is shown in the Declarations, Covered Causes of Loss means direct physical loss unless the loss is excluded or limited in this policy.

B. Exclusions

1. We will not pay for loss or damage caused directly or indirectly by any of the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

a. Ordinance Or Law

The enforcement of or compliance with any ordinance or law:

(1) Regulating the construction, use or repair of any property; or

(2) Requiring the tearing down of any property, including the cost of removing its debris.

This exclusion, Ordinance Or Law, applies whether the loss results from:

(a) An ordinance or law that is enforced even if the property has not been damaged; or

Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil and the action of water under the ground surface.

But if Earth Movement, as described in **b.(1)** through **(4)** above, results in fire or explosion, we will pay for the loss or damage caused by that fire or explosion.

(5) Volcanic eruption, explosion or effusion. But if volcanic eruption, explosion or effusion results in fire, building glass breakage or Volcanic Action, we will pay for the loss or damage caused by that fire, building glass breakage or Volcanic Action.

Volcanic Action means direct loss or damage resulting from the eruption of a volcano when the loss or damage is caused by:

(a) Airborne volcanic blast or airborne shock waves;

(c) Lava flow.

With respect to coverage for Volcanic Action as set forth in **(5)(a), (5)(b)** and **(5)(c),** all volcanic eruptions that occur within any 168-hour period will constitute a single occurrence.

Volcanic Action does not include the cost to remove ash, dust or particulate matter that does not cause direct physical loss or damage to the described property.

This exclusion applies regardless of whether any of the above, in Paragraphs **(1)** through **(5),** is caused by an act of nature or is otherwise caused.

 © Insurance Services Office, Inc., 2016

c. Governmental Action

Seizure or destruction of property by order of governmental authority.

But we will pay for loss or damage caused by or resulting from acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread, if the fire would be covered under this Coverage Part.

Nuclear reaction or radiation, or radioactive contamination, however caused.

But if nuclear reaction or radiation, or radioactive contamination, results in fire, we will pay for the loss or damage caused by that fire.

e. Utility Services

The failure of power, communication, water or other utility service supplied to the described premises, however caused, if the failure:

(1) Originates away from the described premises; or

(2) Originates at the described premises, but only if such failure involves equipment used to supply the utility service to the described premises from a source away from the described premises.

Failure of any utility service includes lack of sufficient capacity and reduction in supply.

Loss or damage caused by a surge of power is also excluded, if the surge would not have occurred but for an event causing a failure of power.

But if the failure or surge of power, or the failure of communication, water or other utility service, results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

Communication services include but are not limited to service relating to Internet access or access to any electronic, cellular or satellite network.

f. War And Military Action

(1) War, including undeclared or civil war;

(2) Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or

(c) Doors, windows or other openings; or

(5) Waterborne material carried or otherwise moved by any of the water referred to in Paragraph **(1), (3)** or **(4),** or material carried or otherwise moved by mudslide or mudflow.

This exclusion applies regardless of whether any of the above, in Paragraphs **(1)** through **(5),** is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

 © Insurance Services Office, Inc., 2016

But if any of the above, in Paragraphs **(1)** through **(5),** results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage (if sprinkler leakage is a Covered Cause of Loss).

h. "Fungus", Wet Rot, Dry Rot And Bacteria

Presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria.

But if "fungus", wet or dry rot or bacteria result in a "specified cause of loss", we will pay for the loss or damage caused by that "specified cause of loss".

This exclusion does not apply:

(1) When "fungus", wet or dry rot or bacteria result from fire or lightning; or

(2) To the extent that coverage is provided in the Additional Coverage, Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria, with respect to loss or damage by a cause of loss other than fire or lightning.

(7) The following causes of loss to personal property:

(a) Dampness or dryness of atmosphere;

(b) Changes in or extremes of temperature; or

(c) Marring or scratching.

j. Rain, snow, ice or sleet to personal property in the open.

k. Collapse, including any of the following conditions of property or any part of the property:

But if the discharge, dispersal, seepage, migration, release or escape of "pollutants" results in a "specified cause of loss", we will pay for the loss or damage caused by that "specified cause of loss".

This exclusion, **l.,** does not apply to damage to glass caused by chemicals applied to the glass.

m. Neglect of an insured to use all reasonable means to save and preserve property from further damage at and after the time of loss.

(a) Contractual Liability

We will not defend any claim or "suit", or pay damages that you are legally liable to pay, solely by reason of your assumption of liability in a contract or agreement. But this exclusion does not apply to a written lease agreement in which you have assumed liability for building damage resulting from an actual or attempted burglary or robbery, provided that:

(i) Your assumption of liability was executed prior to the accident; and

(ii) The building is Covered Property under this Coverage Form.

(b) Nuclear Hazard

We will not defend any claim or "suit", or pay any damages, loss, expense or obligation, resulting from nuclear reaction or radiation, or radioactive contamination, however caused.

5. Additional Exclusion

The following provisions apply only to the specified property:

Loss Or Damage To Products

We will not pay for loss or damage to any merchandise, goods or other product caused by or resulting from error or omission by any person or entity (including those having possession under an arrangement where work or a portion of the work is outsourced) in any stage of the development, production or use of the product, including planning, testing, processing, packaging, installation, maintenance or repair. This exclusion applies to any effect that compromises the form, substance or quality of the product. But if such error or omission results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

C. Limitations

The following limitations apply to all policy forms and endorsements, unless otherwise stated:

1. We will not pay for loss of or damage to property, as described and limited in this section. In addition, we will not pay for any loss that is a consequence of loss or damage as described and limited in this section.

a. Steam boilers, steam pipes, steam engines or steam turbines caused by or resulting from any condition or event inside such equipment. But we will pay for loss of or damage to such equipment caused by or resulting from an explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.

b. Hot water boilers or other water heating equipment caused by or resulting from any condition or event inside such boilers or equipment, other than an explosion.

c. The interior of any building or structure, or to personal property in the building or structure, caused by or resulting from rain, snow, sleet, ice, sand or dust, whether driven by wind or not, unless:

(1) The building or structure first sustains damage by a Covered Cause of Loss to its roof or walls through which the rain, snow, sleet, ice, sand or dust enters; or

(2) The loss or damage is caused by or results from thawing of snow, sleet or ice on the building or structure.

d. Building materials and supplies not attached as part of the building or structure, caused by or resulting from theft.

However, this limitation does not apply to:

(1) Building materials and supplies held for sale by you, unless they are insured under the Builders Risk Coverage Form; or

(2) Business Income Coverage or Extra Expense Coverage.

e. Property that is missing, where the only evidence of the loss or damage is a shortage disclosed on taking inventory, or other instances where there is no physical evidence to show what happened to the property.

f. Property that has been transferred to a person or to a place outside the described premises on the basis of unauthorized instructions.

g. Lawns, trees, shrubs or plants which are part of a vegetated roof, caused by or resulting from:

(1) Dampness or dryness of atmosphere or of soil supporting the vegetation;

(2) Changes in or extremes of temperature;

(3) Disease;

(4) Frost or hail; or

(5) Rain, snow, ice or sleet.

2. We will not pay for loss of or damage to the following types of property unless caused by the "specified causes of loss" or building glass breakage:

a. Animals, and then only if they are killed or their destruction is made necessary.

b. Fragile articles such as statuary, marbles, chinaware and porcelains, if broken. This restriction does not apply to:

(1) Glass; or

(2) Containers of property held for sale.

c. Builders' machinery, tools and equipment owned by you or entrusted to you, provided such property is Covered Property.

(1) If the property is located on or within 100 feet of the described premises, unless the premises is insured under the Builders Risk Coverage Form; or

 © Insurance Services Office, Inc., 2016

(2) To Business Income Coverage or to Extra Expense Coverage.

3. The special limit shown for each category, **a.** through **d.,** is the total limit for loss of or damage to all property in that category. The special limit applies to any one occurrence of theft, regardless of the types or number of articles that are lost or damaged in that occurrence. The special limits are (unless a higher limit is shown in the Declarations):

a. $2,500 for furs, fur garments and garments trimmed with fur.

b. $2,500 for jewelry, watches, watch movements, jewels, pearls, precious and semiprecious stones, bullion, gold, silver, platinum and other precious alloys or metals. This limit does not apply to jewelry and watches worth $100 or less per item.

c. $2,500 for patterns, dies, molds and forms.

d. $250 for stamps, tickets, including lottery tickets held for sale, and letters of credit.

These special limits are part of, not in addition to, the Limit of Insurance applicable to the Covered Property.

This limitation, **C.3.,** does not apply to Business Income Coverage or to Extra Expense Coverage.

4. We will not pay the cost to repair any defect to a system or appliance from which water, other liquid, powder or molten material escapes. But we will pay the cost to repair or replace damaged parts of fire-extinguishing equipment if the damage:

a. Results in discharge of any substance from an automatic fire protection system; or

b. Is directly caused by freezing.

However, this limitation does not apply to Business Income Coverage or to Extra Expense Coverage.

D. Additional Coverage – Collapse

The coverage provided under this Additional Coverage, Collapse, applies only to an abrupt collapse as described and limited in **D.1.** through **D.7.**

1. For the purpose of this Additional Coverage, Collapse, abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.

2. We will pay for direct physical loss or damage to Covered Property, caused by abrupt collapse of a building or any part of a building that is insured under this Coverage Form or that contains Covered Property insured under this Coverage Form, if such collapse is caused by one or more of the following:

a. Building decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;

b. Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;

c. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs during the course of the construction, remodeling or renovation.

d. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs after the construction, remodeling or renovation is complete, but only if the collapse is caused in part by:

(1) A cause of loss listed in **2.a.** or **2.b.;**

(2) One or more of the "specified causes of loss";

(3) Breakage of building glass;

(4) Weight of people or personal property; or

(5) Weight of rain that collects on a roof.

3. This **Additional Coverage – Collapse** does **not** apply to:

a. A building or any part of a building that is in danger of falling down or caving in;

b. A part of a building that is standing, even if it has separated from another part of the building; or

c. A building that is standing or any part of a building that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

4. With respect to the following property:

a. Outdoor radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers;

b. Awnings, gutters and downspouts;

c. Yard fixtures;

d. Outdoor swimming pools;

e. Fences;

f. Piers, wharves and docks;

g. Beach or diving platforms or appurtenances;

h. Retaining walls; and

i. Walks, roadways and other paved surfaces;

if an abrupt collapse is caused by a cause of loss listed in **2.a.** through **2.d.,** we will pay for loss or damage to that property only if:

(1) Such loss or damage is a direct result of the abrupt collapse of a building insured under this Coverage Form; and

(2) The property is Covered Property under this Coverage Form.

5. If personal property abruptly falls down or caves in and such collapse is **not** the result of abrupt collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:

a. The collapse of personal property was caused by a cause of loss listed in **2.a.** through **2.d.;**

b. The personal property which collapses is inside a building; and

c. The property which collapses is not of a kind listed in **4.,** regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph **5.** does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

6. This Additional Coverage, Collapse, does not apply to personal property that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

7. This Additional Coverage, Collapse, will not increase the Limits of Insurance provided in this Coverage Part.

8. The term Covered Cause of Loss includes the Additional Coverage, Collapse, as described and limited in **D.1.** through **D.7.**

E. Additional Coverage – Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria

1. The coverage described in **E.2.** and **E.6.** only applies when the "fungus", wet or dry rot or bacteria are the result of one or more of the following causes that occur during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence:

a. A "specified cause of loss" other than fire or lightning; or

b. Flood, if the Flood Coverage Endorsement applies to the affected premises.

This Additional Coverage does not apply to lawns, trees, shrubs or plants which are part of a vegetated roof.

2. We will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:

a. Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;

b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and

c. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.

3. The coverage described under **E.2.** of this Limited Coverage is limited to $15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) and Flood which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of $15,000 even if the "fungus", wet or dry rot or bacteria continue to be present or active, or recur, in a later policy period.

 © Insurance Services Office, Inc., 2016

4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria cause an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

5. The terms of this Limited Coverage do not increase or reduce the coverage provided under Paragraph **F.2.** (Water Damage, Other Liquids, Powder Or Molten Material Damage) of this Causes Of Loss form or under the Additional Coverage, Collapse.

6. The following, **6.a.** or **6.b.,** applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the "suspension" of "operations" satisfies all terms and conditions of the applicable Business Income and/or Extra Expense Coverage Form:

a. If the loss which resulted in "fungus", wet or dry rot or bacteria does not in itself necessitate a "suspension" of "operations", but such "suspension" is necessary due to loss or damage to property caused by "fungus", wet or dry rot or bacteria, then our payment under Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.

b. If a covered "suspension" of "operations" was caused by loss or damage other than "fungus", wet or dry rot or bacteria but remediation of "fungus", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

F. Additional Coverage Extensions

1. Property In Transit

This Extension applies only to your personal property to which this form applies.

a. You may extend the insurance provided by this Coverage Part to apply to your personal property (other than property in the care, custody or control of your salespersons) in transit more than 100 feet from the described premises. Property must be in or on a motor vehicle you own, lease or operate while between points in the coverage territory.

b. Loss or damage must be caused by or result from one of the following causes of loss:

(1) Fire, lightning, explosion, windstorm or hail, riot or civil commotion, or vandalism.

(2) Vehicle collision, upset or overturn. Collision means accidental contact of your vehicle with another vehicle or object. It does not mean your vehicle's contact with the roadbed.

(3) Theft of an entire bale, case or package by forced entry into a securely locked body or compartment of the vehicle. There must be visible marks of the forced entry.

c. The most we will pay for loss or damage under this Extension is $5,000.

This Coverage Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

2. Water Damage, Other Liquids, Powder Or Molten Material Damage

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material damage loss occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes. This Coverage Extension does not increase the Limit of Insurance.

3. Glass

a. We will pay for expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.

b. We will pay for expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.

This Coverage Extension **F.3.** does not increase the Limit of Insurance.

G. Definitions

1. "Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.

2. "Specified causes of loss" means the following: fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire-extinguishing equipment; sinkhole collapse; volcanic action; falling objects; weight of snow, ice or sleet; water damage.

a. Sinkhole collapse means the sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This cause of loss does not include:

(1) The cost of filling sinkholes; or

(2) Sinking or collapse of land into man-made underground cavities.

b. Falling objects does not include loss or damage to:

(1) Personal property in the open; or

(2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object.

c. Water damage means:

(1) Accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of a plumbing, heating, air conditioning or other system or appliance (other than a sump system including its related equipment and parts), that is located on the described premises and contains water or steam; and

(2) Accidental discharge or leakage of water or waterborne material as the direct result of the breaking apart or cracking of a water or sewer pipe caused by wear and tear, when the pipe is located off the described premises and is connected to or is part of a potable water supply system or sanitary sewer system operated by a public or private utility service provider pursuant to authority granted by the state or governmental subdivision where the described premises are located.

But water damage does not include loss or damage otherwise excluded under the terms of the Water Exclusion. Therefore, for example, there is no coverage under this policy in the situation in which discharge or leakage of water results from the breaking apart or cracking of a pipe which was caused by or related to weather-induced flooding, even if wear and tear contributed to the breakage or cracking. As another example, and also in accordance with the terms of the Water Exclusion, there is no coverage for loss or damage caused by or related to weather-induced flooding which follows or is exacerbated by pipe breakage or cracking attributable to wear and tear.

To the extent that accidental discharge or leakage of water falls within the criteria set forth in **c.(1)** or **c.(2)** of this definition of "specified causes of loss," such water is not subject to the provisions of the Water Exclusion which preclude coverage for surface water or water under the surface of the ground.

IMPORTANT NOTICE
TO MISSOURI COMMERCIAL POLICYHOLDERS

NOTICE OF NON-FILED RATES AND FORMS

Dear Policyholder,

Recent changes to Missouri Revised Statutes 379.321 allow insurance companies to discontinue filing rules and rates for certain lines of business. This same revision also allows insurance companies to discontinue the filing of policy forms for certain commercial insureds.

Grinnell Mutual Reinsurance Company wishes to inform you that your policy may include rates and forms which may not have been filed with the Missouri Department of Insurance, Financial Institutions and Professional Registration.

Grinnell Mutual Reinsurance Company also wishes to inform you that at this time we will continue to file all policy forms with the Missouri Department of Insurance as we do not anticipate meeting the exception outlined in Missouri Revised Statutes 379.321 for the discontinuation of filing policy forms.

If you have any questions, please contact your agent as we want you to be completely satisfied with your insurance protection and service.

Subject to the provisions of the Missouri Property and Casualty Insurance Guaranty Association Act (to be referred to as the Act), if we are a member of the Missouri Property and Casualty Insurance Guaranty Association (to be referred to as the Association), the Association will pay claims covered under the Act if we become insolvent.

2. The Act contains various exclusions, conditions and limitations that govern a claimant's eligibility to collect payment from the Association and affect the amount of any payment. The following limitations apply, subject to all other provisions of the Act:

a. Claims covered by the Association do not include a claim by or against an insured of an insolvent insurer, if the insured has a net worth of more than $25 million on the later of the end of the insured's most recent fiscal year or the December thirty-first of the year next preceding the date the insurer becomes insolvent, provided that an insured's net worth on such date shall be deemed to include the aggregate net worth of the insured and all of its affiliates as calculated on a consolidated basis.

b. Payments made by the Association for covered claims will include only that amount of each claim which is less than $300,000.

However, the Association will not:

(1) Pay an amount in excess of the applicable Limit of Insurance of the policy from which a claim arises; or

(2) Return to an insured any unearned premium in excess of $25,000.

These limitations have no effect on the coverage we will provide under this policy.

I. For the Commercial Property Coverage Part, the following exclusion and related provisions are added to Paragraph **B.2. Exclusions** in the Causes Of Loss Forms and to any Coverage Form or policy to which a Causes Of Loss Form is not attached:

1. We will not pay for loss or damage arising out of any act an insured commits or conspires to commit with the intent to cause a loss.

In the event of such loss, no insured is entitled to coverage, even insureds who did not commit or conspire to commit the act causing the loss.

2. However, this exclusion will not apply to deny coverage to an innocent co-insured who did not cooperate in or contribute to the creation of the loss, provided the loss is otherwise covered under this Coverage Part and the loss arose out of domestic violence. Such coverage will be provided only if the innocent co-insured files a police report and completes a sworn affidavit indicating both:

a. The cause of the loss; and

b. A pledge to cooperate in any criminal prosecution of the person committing the act causing the loss.

3. If we pay a claim pursuant to Paragraph **I.2.,** our payment to the innocent co-insured will be limited to that insured's ownership interest in the property as reduced by any payment to a mortgagee or other secured interest; however, we shall not be required to make any subsequent payment for any loss for which the innocent co-insured has received payment. In no event will we pay more than the Limit of Insurance.

J. The **Intentional Loss Exclusion** in the Causes Of Loss Form – Farm Property, Mobile Agricultural Machinery And Equipment Coverage Form and Livestock Coverage Form is replaced by the following:

2. However, this exclusion will not apply to deny coverage to an innocent co-"insured" who did not cooperate in or contribute to the creation of the loss ("loss"), provided the loss ("loss") is otherwise covered under this Coverage Form and the loss ("loss") arose out of domestic violence. a. The cause of the loss ("loss"); and

b. A pledge to cooperate in any criminal prosecution of the person committing the act causing the loss ("loss").

In no event will we pay more than the Limit of Insurance.

K. The following is added to the **Transfer Of Rights Of Recovery Against Others To Us** Loss Condition:

If we pay an innocent co-"insured" for loss ("loss") arising out of an act of domestic violence by another "insured", the rights of the innocent co-" insured" to recover damages from the abuser are transferred to us to the extent of our payment. Following the loss ("loss"), the innocent co-"insured" may not waive such rights to recover against the abuser.

L. Paragraph **K.** above does not apply to the **Transfer Of Rights Of Recovery Against Others To Us** Loss Condition in the Farm Liability Coverage Form.

M. The following is added with respect to the Additional Coverages of Debris Removal and Pollutant Clean Up And Removal, and relates only to the requirement to report expenses to us within 180 days of the specified occurrence:

O. For the Capital Assets Program (Output Policy) Coverage Part, the following exclusion and related provisions are added to Paragraph **C.2. Exclusions:**

1. We will not pay for loss or damage arising out of any act an insured commits or conspires to commit with the intent to cause a loss.

2. However, this exclusion will not apply to deny coverage to an innocent co-insured who did not cooperate in or contribute to the creation of the loss, provided the loss is otherwise covered under this Coverage Part and the loss arose out of domestic violence. Such coverage will be provided only if the innocent co-insured files a police report and completes a sworn affidavit indicating both:

a. The cause of the loss; and

b. A pledge to cooperate in any criminal prosecution of the person committing the act causing the loss.

3. If we pay a claim pursuant to Paragraph **O.2.,** our payment to the innocent co-insured will be limited to that insured's ownership interest in the property as reduced by any payment to a mortgagee or other secured interest; however, we shall not be required to make any subsequent payment for any loss for which the innocent co-insured has received payment.
